

Working together towards your success in China and in France

HOLIHARMO ASSOCIATION is a non profit organization working towards furthering intercultural and multidisciplinary studies and exchanges of information between France and China.

Our members are very experienced in creating bridges across regions through their specialized fields and their professional careers and have a bicultural background between East and West. In particular, we have an extensive interest in the development of the Health Science / Healthcare Industry and Silver Economy / Silver Industry, which have been deeply influenced by the new global economic environment and the fourth industrial revolution. We promote harmonious societal interactions between governmental, business and civil bodies, by means of business management and practice participation.

法中整合协会是法中跨文化、跨行业和多领域信息研读和交流的协会组织。

协会根据会员学科交叉、专业面广、经验丰富并具有东西方双重文化背景的特点，重点关注当今全球经济新环境和第四次工业革命影响下的健康科学/健康工业和银色经济/老龄产业领域的发展趋势，积极参与企业实践，促进法中政府、企业及民间的全方位和谐交往，以期造福于两国人民。
